fræjump® 

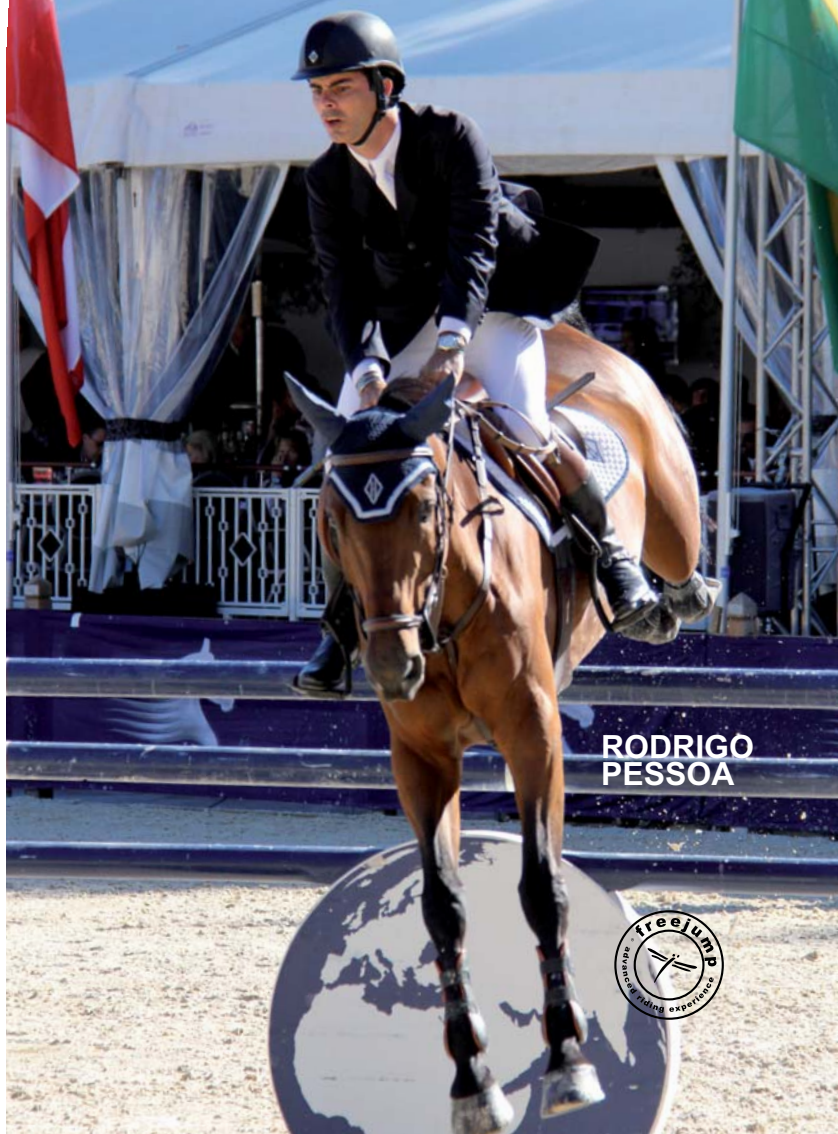

Au service des passionnés d'équitation **freejumpsystem** est aujourd'hui une référence en matière d'innovations produits de haute technicité liés à la performance, au confort et à la sécurité des cavaliers et de leurs chevaux. Depuis 2001, date de sa création, une étroite et constante collaboration avec les meilleurs cavaliers mondiaux et une écoute attentive des besoins des cavaliers amateurs lui permettent d'améliorer sans cesse la compétitivité de ses produits. Ainsi des nouveaux produits **freejump** voient le jour afin de répondre aux exigences des Sports équestres que vous soyez rider professionnel ou amateur.

Created to serve the market of riding enthusiasts **freejumpsystem** is today a benchmark in terms of innovation and high-tech products designed for the performance, comfort and safety of both riders and horses. Since its beginnings in 2001 with the nylon collar and thanks to its close and lasting collaboration with the world's best riders and its attentive response to the needs of amateur riders, **freejumpsystem** has constantly improved the reliability and competitiveness of its products. New **freejump** products are now available to help you constantly push your riding boundaries !

FREEJUMP

advanced riding experience *
